

APPLICATION FOR DANBY TOWNSHIP
PLANNING COMMISSION
MEMBERSHIP

PURPOSE: The Township Planning Commission shall review and update as needed every five years a “master plan”, referred to in Public Act 33 of 2008, known as the Michigan Planning Enabling Act, as amended, being the basis on which the zoning ordinance is developed. In addition, they hear and recommend changes to the zoning ordinance, review special land use applications, private road applications, review Planned Unit Developments and other types of development applications, review site plans for commercial and industrial applications and administer all relevant aspects of the zoning ordinance. Further details are found in the Michigan Zoning Enabling Act 110 or 2006, as amended. The terms of office are for three years unless filling a vacated position and the membership is appointed by the Township Supervisor with approval by the Township Board. Copies of this application are available from the Township Clerk.

Please return this application to the Township Clerk, 10757 Peake Rd, Portland, MI 48875 before the next Township Board meeting.

I would like be appointed to the Danby Township Planning Commission.
