Business Items

1. FUTURE PROJECTS: GEOTHERMAL

Continued discussion from April's meeting. We will move forward in drafting verbiage for an ordinance and ask the Planner to work on this project.

Motion by Dean Seconded by Brown MOTION CARRIED

2. REVIEW ADOPTED SOLAR ENERGY ORDINANCE

The Board sent the amended ordinance to the Planning Commission for review and input. The members expected a list of the Board's original questions that prompted the changes but did not receive anyone's question list. The members could only guess as to why these extensive changes were made instead of sending questions back to them at the time. Due to redundancies and the restrictive nature of the adopted amended ordinance, the Planning Commission will recommend again the original version of the ordinance to the Board for their review, comment, and recommended repeal of the current adopted version and adopt the original version from the members.

Motion by Hoppes Seconded by Brown MOTION CARRIED

3. ANY OTHER BUSINESS: NONE

Announcements: Joe will e-mail planning workshop dates/information to planning commission members.

Adjournment: Adjourned at 8:27 pm on motion by Bahr and seconded by Hoppes. MOTION CARRIED
